

## WHOLESALE TERMS

To qualify for wholesale pricing, customers must order 100+ units of the same product (printed design can vary) at one time. We require full payment in advance (CIA) as each of these items will be custom made to fill your order.

If you plan to place an order for between 50-99 units, please contact us directly. Additional price breaks are available at 500+ units. See the pricing chart below for details.

## DETAILS

- A wholesale order must include 100+ units of the same product silhouette, but the printed design may vary.
- Items in sets (e.g., napkins and placemats) qualify as 1 unit.
- Free shipping included on all wholesale orders in the US. A flat rate \$20 shipping charge applies for orders with a shipping address outside the US.
- Wholesale pillow pricing does not include pillow inserts. Please contact us if you would like to place an order for 100 or more pillows with inserts included.
